

invites you at the projection of
Suzanne Arms film:

**“Giving life to the future –
Childbirth: challenges and choices”**

Suzanne Arms, writer and activist on issues of natural birth, through the film focuses on the importance of natural childbirth for the mother and fetus. Compares the medical and the midwifery model of childbirth and explains the risks can be caused by routine medical interventions.

Followed by an open discussion about the conditions of birth in Greece. The film lasts 35 minutes.

**Saturday, 11th of December 2010
at 18:00 p.m.**
